¹Office of Student Assistance and Relief (OSAR) outreach efforts to-date are listed at http://www.osar.bppe.ca.gov/outreach.shtml.

² Student services include providing information and individualized assistance to students regarding how and where to file a complaint, how to access available state and federal relief programs, and making informed decisions when selecting a private college to attend.

³ On July 1, 2017, the OSAR came into existence and assumed the responsibility of processing STRF claims from the Bureau for Private Postsecondary Education's STRF Unit. Approximately 135 pending STRF claims were assigned to OSAR for continued processing. All STRF claims are processed in the order received. Therefore, those 135 claims were processed first by OSAR staff. Following OSAR's fourth quarter report, 19 claims remain to be processed.
